

Unleashing the Power of Partnership for Learning

MONTHLY RACIAL JUSTICE DIALOGUES

Join this powerful dialogue series, planned and co-facilitated by UP for Learning's youth partners in Vermont, Mississippi, Connecticut and Florida! These dialogues, taking place on the third Wednesday of each month, bring youth and adults together from across the world to have real and relevant conversations about systemic racism and injustice. The heart of these sessions are sharing stories from diverse perspectives, listening for understanding, connecting as a community, and creating affinity groups for action.

Join us — as a whole class, with your peers/colleagues, or by yourself!
