

# Transform Your School with Restorative Practices

## A Professional Learning Series

**Join us to learn about strengths-based approaches to equity, shared responsibility, and more just, joyful, and connected communities.** When implemented holistically with youth and adults sitting in authentic partnership, restorative practices help shift paradigms and develop a culture where everyone's voice is heard and valued. Relationships become the cornerstone of the school community with an emphasis on collaborative problem-solving and collective responsibility.

### Our Journey Together:

#### Session 1: Why Restorative Practices?

- Introductions and overview of the series
- Intro to RP
- Create your own "why"

#### Session 2: What are Restorative Practices? Part 1

- Fundamentals: Developing, maintaining, restoring relationships
- Tiers
- Proactive vs. Reactive
- Elevator pitch

#### Session 3: What are Restorative Practices? Part 2

- Restorative Mindset
- Relationship Window
- Youth-Adult Partnerships

#### Session 4: Steps to implementing

- Exploration
- Installation
- Initial implementation
- Full implementation
